

# TRUCKMOUNTED ROUNDED REAR TIPPER

## *Tough Load*

 **curious for better.** 

# ***What curiosity means to us, A better future.***

The unique reason that the human "bring into being" is curiosity. Curiosity is the first "set a foot on the moon". Because curiosity; to realize a better and more beautiful future, ask questions, try to understand, produce innovative solutions, explore and never give up. It always takes us a step further.

Our job is always to move your business "one step forward". That's why we're curious. We recognize the needs of the trailer and superstructure equipment sector "before needs appearance" and produce innovative, user friendly and efficiency based products. We dominate the technologies that can go beyond your expectations. Due to our curiosity, we have changed the habits of the sector with every new project we made. We have broken grounds; but we have never been curious about being ahead only with the numbers.

The quality documents we have obtained being a catalyser that enable us to produce new technologies, make progress and be more curious. We curious not just about our sector, we curious about the whole world. For the nonce we are in 3 continents. We are constantly building strong values and collaborations for all of our stakeholders by producing special solutions for the needs of new geographies day by day.

Curiosity means to us not only innovation, engineering and technology. It means to us more beautiful and profitable day for the future.

# ■ **ROUNDED REAR TIPPER** **TRUCKMOUNTED**

# Tough Load

---

According to the product requirements of the construction and mining industries for the transport of bulk cargoes, appropriate to 2006/42 / EC Machinery Safety Regulation and CE marking, produced with our own production technologies and know-how license, from the carbon and abrasion-resistant steel materials, at the suitable thicknesses for design calculations, half-tube cut, considering the wide volume range, geographical region climate and road conditions, filling and discharging, Truckmounted Rounded Rear Tipper which provides great convenience and practicality during loading and unloading; with the truck builders' superstructure instructions and truck chassis of different configurations, over comes **"Tough Loads"** and challenged the tough conditions.

---

**14 ~ 22 m<sup>3</sup>  
Volume Range**

**16 - 40 Ton  
Payload**

**4 - 8 mm  
Material Thickness**

**Opened hydraulically  
Self-opening  
Rear Cover**

### Book It

Suitable for loading and unloading conditions, long life, safe, high strength with unique body structure provides higher performance for the user.

## Modular Volume

Offers modular solutions to truck chassis in different configurations with its wide volume alternative designs.

# OUTSTANDING FEATURES

## **Difference Is Its Style**

It creates a difference in style according to its own position and visual aesthetic.

### **Performance Needs Source**

Durable body structure, superior production technology and premium equipment, turn into the long lifetime to income.
