# CORPORATE

## MISSION & VISION

### MISSION

To be a knowledgeable business partner that creates value for its stakeholders and never left sense of curiosity with the philosophy of total excellence in products and services without compromising corporate values.

### VISION

Being the best World brand in the class that provides permanent superiority with the differences it creates in the trailer sector.

# CORPORATE

## OUR VALUES

## VALUES WHICH MAKE DIFFERENT OUR BRAND

OKT Trailer is based on qualities such as past, future belief, trusting with effective communication that embraces our consciousness, openness to development, responsibility, creativity and philosophy of perfection. These values, which make different of OKT Trailer, guide every step of their activities.

# CORPORATE

## OUR VALUES

### Together

We have to be "US", Becoming a Stakeholder, Let's be strong  
Internalize!

### Tolerant

Let's be fair, Let's be humble, Let's be sincere and  
Let's be Respectful!

### Curiously

Learn, Practice, Teach  
Let's Be Aware!

### Produce Solutions

Let's Make Change, Make Difference, Value  
Creation  
Let's imagine!

### We proceed

Predictive, Change with courage, Continuous  
Direction to the future!

## FACILITIES

# CORPORATE

## PRODUCTION INFRASTRUCTURE

- Equipped Storage Yards
- CNC Cutting-Bending-Drilling-Pasting Lines
- Spare Parts Production Line
- Welding Assembly Lines
- Automation Welding Lines
- Production Lines
- Sandblasting/Painting Lines
- Final Assembly Line
- Parking Areas

## PRODUCT RANGE

**TANKER**

**SILO TRAILER**

**TIPPER TRAILER**

**CHASSIS**

**LIVESTOCK**

**SPECIAL PRODUCTS**

## THIS IS AN ENGINEERING ART

OKT Trailer offers tanker for all kinds of hazardous and non-hazardous gas and liquid petroleum derivatives on the highway, Bulk Trailer for powder and granular cement, lime, silica sand and foodstuffs, Damper for solid aggregate, coal, excavation, bulk cargoes such as asphalt and wheat, Trailer and truck mounted equipment solutions for transport of agricultural and livestock and general cargoes.

# PRODUCTS

## TANKER

LPG

PETROLEUM

CHEMICAL

FOOD

## THE MOST INDUSTRIOUS OF THE CLASS!

We provide innovative, creative solutions tailored to the specific needs of users who transport petroleum derivatives in gas and liquid form, chemical, food and other hazardous and non-hazardous materials. According to the OKT know-how license and production technologies and legislation we offer wide tanker options which is produced carbon, stainless steel and alloyed aluminium materials.

# PRODUCTS

## TANKER /LPG

**LPG TANKER  
TRUCK MOUNTED**

**LPG TANKER  
SEMI TRAILER**

## WE FOCUS ON HAZARD, YOU FOCUS ON YOUR WORK!

We offer you trouble-free operations that you can focus entirely on your business with our precision engineering solutions and advanced welding technologies, which require high safety standards and maximum safety precautions for LPG bulk gas transportation sector on the road, long life with the sturdy body structure which gives priority to vehicle, driver and road safety, filling, transportation and discharging operations, safe equipment which does not compromise from safety, certification and after sales service.

# PRODUCTS

## TANKER /PETROLEUM

**CYLINDRICAL TANKER  
TRUCK MOUNTED**

**ELIPTICAL TANKER  
TRUCK MOUNTED**

**CYLINDRICAL TANKER  
SEMI TRAILER**

**CONICAL TANKER  
SEMI TRAILER**

**GOOSENECK TANKER  
SEMI TRAILER**

**ELIPTICAL TANKER  
SEMI TRAILER**

**BITUMEN TANKER  
SEMI TRAILER**

**VACUUM TANKER  
SEMI TRAILER**

## HOW DO YOU GET YOUR TANKER?

We are able to transport high volume dynamic loads safely under difficult conditions with our pioneering point of view for the transport of liquid petroleum derivatives in the transport of dangerous goods on the highway and our quality tankers which have a lot of design approvals from international authorities.

# PRODUCTS

## TANKER /CHEMICAL

**CHEMICAL TANKER  
TRUCK MOUNTED**

**CHEMICAL TANKER  
SEMI TRAILER**

**INSULATED TANKER  
SEMI TRAILER**

## CHEMICALLY APPROPRIATE TANKER SOLUTIONS

We produce special tanker solutions that determine the standards in chemical load logistics, which have many design approvals from international authorities, which are suitable for different tank codes, when analysing according to the new conditions and material safety information documents that are changing in transport conditions of liquid chemical substances in dangerous material transportation on roads.

# PRODUCTS

## TANKER /FOOD

**FOODSTUFF TANKER  
TRUCK MOUNTED**

**FOODSTUFF TANKER  
SEMI TRAILER**

**WATERTANKER  
SEMI TRAILER**

## PLENTY OF FOOD, PLENTY PROFIT

Our foodstuff tankers are designed for liquid cargoes such as milk, drinking water, alcohol and vegetable oil with maximum care and equipped with bulk cargo transportation on the road. For our customers, we offer a wide range of options on the truck and trailer product range suitable for quality, hygiene and safety standards according to the “agreement on the international carriage of perishable foodstuff and on the special equipment to be used for such carriage” (ATP) and other legislation.

# PRODUCTS

## SILO TRAILER

**V TYPE NONTIPPING SILO  
SEMI TRAILER**

**W TYPE NONTIPPING SILO  
SEMI TRAILER**

**TIPPING SILO  
SEMI TRAILER**

**BULK FEED SILO  
SEMI TRAILER**

## THE MOST FAMOUS OF ITS CLASS

OKT Trailer produces many special Bulk Trailer solutions with damper and horizontal design alternatives that have been developed by taking into consideration the customer expectations in the mining and construction sectors such as chemistry, food, casting and so on and the possible pressure risks during the discharge of the load.

# PRODUCTS

## TIPPER TRAILER

**ROUNDED REAR TIPPER  
TRUCK MOUNTED**

**ROUNDED REAR TIPPER  
SEMI TRAILER**

**BOX BODIES REAR TIPPING  
SEMI TRAILER**

**UNIVERSAL REAR TIPPING  
SEMI TRAILER**

## THE MOST POWERFUL OF ITS CLASS

According to the product requirements for the users who transport solid aggregate, coal, earthmoving, asphalt, wheat and similar bulk cargoes to the highways, appropriate to the 2006/42 / EC Machinery Safety Directive, we produce tippers made of different materials with our know-how license and production technology.

# PRODUCTS

## CHASSIS

**PLATFORM**  
**SEMI TRAILER**

**MIXER**  
**SEMI TRAILER**

## **MOST COMPATIBLE IN ITS CLASS**

Complying with the tanker, damper, platform, container and mixer superstructure options developed for transporting general cargo loads, considering the general transportation operation requirements and storage requirements of the logistics sector which are suitable for climate and road conditions, enabling the transportation of goods on the road in a safe, fast, robust, economical and efficient way, thus we offer a wide range of trailer product lines that prove to be a good team player.

# PRODUCTS

## LIVESTOCK

**LIVESTOCK  
SEMI TRAILER**

## LIVE COMFORT

The first and only domestic Live Animal Carrier Semi Trailer production is developed taking into account the expectations of the livestock sector and provides comfortable and hygienic journey with safe separators which prevent possible losses during the journey, no restrictions on the natural movements of the animals.

# PRODUCTS

## SPECIAL PRODUCTS

**MOBILE THEATER**  
**SEMI TRAILER**

**STOCK TANKS**  
**TANK**

**ROLLOVER TRAINING TANKER**  
**SEMI TRAILER**

## THE MOST EXCLUSIVE OF ITS CLASS

OKT Trailer understands you well. Apart from traditional framing with certain patterns, we prioritize the expectations and needs of our products, and we accept the works of the users and we focus on their processes, we offer special solutions for increasing operational efficiencies
